Greetings Mehrdad Pajuhaan, (cc: Alireza Shirdel)

Mehrdad, Allison told me that '... your great arrogant goals.' concerning the word 'arrogant' probably was intended as the word 'passionate'.

While that was earlier in yesterday, 21 March 2024, We recently checked:

<https://selldone.com/blog/selldone-master-plan-its-just-the-start-of-the-new-ecommerce-platform-generation-31>

and found that it was not changed so far.

If you change word 'arrogant' to word 'passionate', then if it's White-Label a Site at selldone.com, then We would like to Re-Sign-Up a.s.a.p. for a combined site, if it passes 'enough ok' during further evaluation, for unitedholland.com, community.business, social.news & communitybusiness.news.

Request to change that (you do not agree with '... your great foolish/unwise goals.', correct?).

And let Us know, ok Mehrdad?

Cheers,

Michael Roeten
