Greetings,

In relation to earlier message, you may have asked: "By what AUTHORITY can you give us SPIRITUAL INTELLIGENCE from HIGHEST AUTHORITY?"

That is a very valid question.

In 2022, there was some bio published, about Michael Roeten.

In the meantime, there has even been more accomplished, SPIRITUALLY, namely in 2023.

In 2018, was SPIRITUALLY asked if I would exchange places with any other person, other than self, if that person was to go for hell, with PAIN, infinitely, so that that person would go to HEAVEN instead of self.

Answer was: "Yes".

What was not mentioned in 2018, was that Michael Roeten (1974) had not ever done (any) evil in This Universe, neither directly connected to it.

There have been others to gamble, however they had done evil in This Universe. They were gambling to be able to go to HEAVEN.

Michael Roeten (Earth Legal Name), could not live with any person to go to hell, with pain, infinitely.

Michael Roeten believed that all people were innocent, however had no proof, neither was this communicated. Only thing which was an unsure basis was psychology in Biological Physical Universe, that those whom were labeled: "criminals", if they were questioned by psychologists, that they experienced a (very) difficult childhood/born at a ghetto/abusive parent(s).

What was not meant to try to attain (a) HIGH CROWN, was given as a consequence of THE HIGHEST LOVE shown. As another consequence, access to HIGHEST AUTHORITY SPIRITUAL INTELLIGENCE was given.
