Greetings Jim,

May you be doing Well.

After Inviting BMW, Mercedes-Benz & TOYOTA, We thought of Inviting Ford too. We may decide to Invite SAIC Motor too.

Henry Ford invented the car and in August 2023, We Invented Community System: COMMUNITY.BUSINESS™, which is NOT non-profit (so no gifts, sponsorships & grants), neither Government Political (so no Communism). It is however about working with Our Inherited Economical Trade System to solve unemployment of 60% of all employable People. And not only that, also Creative, 'Living'-wages Jobs (so no more e.g. call center Jobs with minimum wages).

More info: <https://community.business> & unitedholland.com

We have Quality personnel (& cargo) transportation for UNITED HOLLAND/COMMUNITY.BUSINESS on Our WISH LIST.
And Ford may provide Our Transportation Fleet.

In exchange, We offer Ford:
~Publivity™ C.S.R. System/Excellentor™ Membership;
~UNITED HOLLAND Elegant.Partners™ (Invite Only).

We ask Ford ±25% of the Membership fee, which for Ford (revenue according to Forbes Global 2000) would be ±\$2.55B instead of ±\$10.21B.

Ford may join in rolling out this invented Community System, Jim.
We look forward to your response and perhaps a fruitful Partnership.

Cheers,

Michael Roeten
