Greetings Aiman,

In 2023, We Invented Community System: COMMUNITY.BUSINESS™, which is NOT non-profit, neither Government Political, however Trade Businesss and We would like Capgemini to build The Software Suite for it.

In exchange, We offer Capgemini chance to become UNITED HOLLAND Elegant.Partners™ (Invite Only) & Excellentor™/Publivity™ Members. We also ask Capgemini €350M/year, instead of ±€1.4B/year.

We've already sent communication via Capgemini Internet Contact Form, however We also try to inform you this way.

More info: <https://community.business> & <https://unitedholland.com>

We've been to Paris (Hausman) in July 2007 for a network meeting, however somehow missed talking with you. Perhaps come to The Hague for a meeting with Us?

Cheers,

Michael Roeten
