**Friendlyn B.V. (Anpartsselskab)**

Greetings Mehrdad,

May you be doing well.

First, this is not about replacing Selldone™ to begin with.

This is about something you perhaps may Do too.

You are seemingly interested to build an IT-/Transaction System for Friendlyn™ ExchangeWithFriends™ COMMUNITY.BUSINESS™.

So, what is this Anpartsselskab mention in the subject about?

It would be about a Dutch B.V. (Besloten Vennootschap) (DK: Anpartsselskab), which We may set-up in The Netherlands.

You could become share holder in Friendlyn B.V., if you are willing to invest time, effort and money into Friendlyn™ and Friendlyn B.V..

We've invested a lot of TIME, EFFORT & MONEY into Community System: COMMUNITY.BUSINESS™ and UNITED HOLLAND.

If Alireza is also interested to do this besides Selldone™, then Alireza may participate too

Appreciated if you let us know as soon as possible, also if you have (a) question(s).

Cheers,  
Michael Roeten  
Founder Executive Director
