

send via contactform for partnership at SAP.com, date 26 January 2024 +/- 12:00pm

Greetings,

May you be doing well.

One of your associates, Charlotte Stobbe Meincke at SAP Qualification Services, mentioned SAP partnership program.

So, We are interested in a Partnership with SAP SE.

Christian Klein mentioned (at sap.com): "You can't act on what you can't measure".

Let's discuss this some first, because SPIRITUAL INTELLIGENCE immensely outweighs Artificial Intelligence, if there is access to IT!

As far as Artificial Intelligence is concerned: What is 'war-time'-data worth, trying to attain PEACE?

We developed 2023 Community System: COMMUNITY.BUSINESS™ with SPIRITUAL INTELLIGENCE.

It's true, We learned some things from Earth, however Community System: COMMUNITY.BUSINESS™

was not handed to us by some AI.

SAP has recently passed its' 50th year anniversary, and even though that is a performance,

still... it was SPIRITUALLY given to go that way.

Other item is competition, mentioned at SAP(.com), which is something 'The West' has been doing a lot.

While Communism is not the ANSWER to Our PEACE QUEST, it has been a fair try to 'Politically' organise Some Countries as a Community.

As We mentioned at Our site: Social.News , approximately 40% would voluntarily choose Communism.

While what we wish for as far as an Information-/Transaction System is concerned, it would very probably be the Most High Project that SAP SE would ever embark on.

So, We propose the following:

We invite SAP to become UNITED HOLLAND Elegant.Partners™ (invitation only) & Excellentor™ Members (worth more than \$2Billion/year)

in exchange that SAP builds and manages IT System for Community System:
COMMUNITY.BUSINESS™ and \$500M/year per year to UNITED HOLLAND/COMMUNITY.BUSINESS.

With access to HIGHEST AUTHORITY SPIRITUAL INTELLIGENCE, this could be a REALLY FAIR Deal, which We are willing to negotiate. Try to realise that financial amount is mainly for investing towards rolling Out this Community System. In other words: Setting Up CommunityWorkshop.Pro™ Franchise Establishments & Elegant.Boutique™/Elegant.Store™ Franchise Establishments.

Looking forward to your response,

Michael Roeten
Founder Director President
UNITED HOLLAND
Elegant.Land™

unitedholland.com

Chief Inventor of in 2023 Invented Community System: COMMUNITY.BUSINESS™
